Empower Your Ministry with R3 Pastor Advisor Teams

Proverbs 11:14 offers a timeless principle for leaders: "In a multitude of counselors there is safety." At R3 Ministry Network, we are committed to providing pastors with the wise and godly counsel they need to navigate their unique challenges. That's why we are excited to introduce the Pastor Advisor Teams (PAT), an initiative designed to support pastors through collective wisdom and experience.

Calling All Pastors

You face many complex decisions and unique challenges as a pastor, church planter, or revitalizer. The R3 Pastor Advisor Teams are here to help. These teams are composed of two to three pastors and Christian leaders who bring diverse perspectives, seasoned experience, and strong character to offer you the guidance you need. Each month, through a structured and supportive video call, you will have access to this invaluable resource, ensuring you are never alone in your leadership journey.

ARE YOU READY TO SERVE?

Proverbs 11:24-25 reminds us that leaders who give generously are themselves blessed and enriched. If you are a pastor or Christian leader with a wealth of experience, we invite you to serve on a Pastor Advisor Team.

Your wisdom and insight can make a profound difference in the lives of other pastors, helping them to lead their congregations with confidence and care.

As an advisor, you will participate in monthly video calls, offering counsel and support on matters of great importance to the pastors you serve.
