The R3 Ministry Action Plan (MAP) – *Your Guide for Creating Greater Kingdom Impact and Strengthening Your Ministry*

The R3 Ministry Network was founded by Pastor Greg Joyner to help other Pastors and Church Leaders. As ministers ourselves, we have a driving passion for ensuring there is a strong church in every community. For this reason, we created the R3 Ministry Action Plan (MAP), a tool to help strengthen your local church for greater Kingdom impact. The R3 MAP is for:

- Healthy churches that desire to become even stronger.
